TIGERMOTH
LIGHTING LTD

General:

Silk shades are available in twenty four standard colours, and three textures:

- Silk Satin: Steel, Silver, Graphite, Oyster
- Silk douppion: White, Ivory, Black, Birch, Orchid, Ink, Fossil, Celery
- Silk-Linen: Ivory, Buff, Mink, Mustard, Dove Grey, Chocolate, Coffee, Dusk, Terracotta, Delphinium, Nettle, Forest

We recommend using our silk sample swatch to select your preferred colour.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

Light Sources:

3W each, 250 Lumen, 3000 Kelvin. CRI >90 Ra

Driver:

This chandelier has a constant current external mains driver which is compatible with trailing and leading edge TRIAC dimmers. Dali-compatible drivers are available on request.

Modifications available:

COM – Client's own material

Call us for more information on modifications.

Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

WEEE Registration Number: WEE/BU3809XD
