General:

Please note that the antique brass finish may develop a slight patina over time due to the natural properties of the material.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

We recommend using only frosted candle or golf ball style light sources in this chandelier. We can supply suitable dimmable LED light sources.

Modifications available:

- Custom length of suspension rod up to 3m maximum length
- Client's own silk shades
- Custom silk shades - any colour from Pongees 745 Indian Douppion or 431D Crepe Satin range

Call us for more information on modifications.

Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

WEEE Registration Number: WEE/BU3809XD
