General:

Please note that the lacquered brass finish may develop a slight patina over time due to the natural properties of the material.

Please note that the bronze finish is available as standard with elephant grey flex and the brass finish available as standard with gold flex.

All lamp holders in the Fold collection are standard large Edison Screw (E26). Please note, light sources are not supplied with UL Listed orders.

Made to USA standards and designed to operate at 120V / 60Hz.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Assembly:

Supplied complete with 78 ¾" of braided flex, easily adjustable upon installation.

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.
