General:

Please note that the bronze finish is available as standard with elephant grey flex and the brass finish available as standard with gold flex.

Please note that the lacquered brass finish may develop a slight patina over time due to the natural properties of the material.

No additional Tigermoth Pendant Kit Accessory is needed for the Fold Pendant Light.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

We recommend using only candle style light sources in this light. We can supply suitable dimmable LED light sources.

Modifications available:

- Additional flex suspension length to increase the maximum hanging height

Call us for more information on modifications.

Packaging Information:

Please contact us for packaging information on smaller products as the box weights and dimensions are dependent on the quantity of lights in the order.

Assembly:

Supplied complete at 2m hanging height and is easily adjustable upon installation.

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.
