General:

All lamp holders in the Fold collection are standard small Edison Screw (E14).

Please note that the bronze finish is available as standard with elephant grey flex and the brass finish available as standard with gold flex.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Deviations e.g. AS/NZS is available on request.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Dimmable LED filament light sources are supplied included.

No additional Tigermoth Pendant Kit Accessory is needed for the Fold Pendant Light.

Please note that the lacquered brass finish may develop a slight patina over time due to the natural properties of the material.

Assembly:

Supplied complete with 2m of gold braided flex, easily adjustable upon installation.

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

Modifications available:

- Additional flex suspension length

Call us for more information on modifications.
