## General:

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

We recommend using only golf ball style light sources in this light. We can supply suitable dimmable LED light sources.

## Modifications available:

- Client's own silk shades
- Custom silk shades - any colour from Pongees 745 Indian Douppion, 431D Crepe Satin or 738 Tasar silk range
- Symmetrical pair available on request

Call us for more information on modifications.

## Packaging Information:

Please contact us for packaging information on smaller products as the box weights and dimensions are dependent on the quantity of lights in the order.

## Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

## Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.
