RECTANGULAR CHANDELIER

Model Number — TL-RCCH

Width	Depth	Height excl. suspension	Suspension Chains	Lamp Holders	Max Wattage	Weight	Ceiling Rose	Standard minimum hanging height
Rectangular Chandelier - TL-RCCH								 450mm
1010mm	270mm	330mm	1000mm	5	60W each	22.0Kg	70mm dia. (two)	

General:

Height measurements for chandeliers do not include the suspension chains. Suspension chains for chandeliers can be adjusted to the height needed upon installation.

All of our lamp holders are standard large Edison Screw (E27).

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Deviations e.g. AS/NZS is available on request.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Energy Rating:

Assembly:

Crystal chandeliers will arrive with the crystal packaged separately in strands (this is common practice and is done to prevent damage to the crystal in transit). All you need to do to assemble your light is to hook each strand onto the frame with the hooks provided.

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance but we give you some information on that too.

Packaging Information:

The approximate box weights and dimensions are outlined below:

Number of Boxes	Dimensions (mm)	Weight (Kg)
Rectangular Chain Chandelier		
1	1100 x 340 x 160	22.0
Rectangular Crystal Chandelier		
2	1100 x 340 x 160	9.0
	440 x 440 x 330	13.0

Modifications available:

- Additional length of suspension chain
- Direct-to-ceiling fixing

Call us for more information on modifications.

Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.
