Rectangular Chandelier - TL-RCCH									
1010mm	270mm	1450mm	450mm	Adjustable on site	5 - E27	60W each	22.0Kg	70mm dia. (two) x 25mm depth	

## General:

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

We recommend using only candle or golf ball style light sources in this light. We can supply suitable dimmable LED light sources.

## Modifications available:

- Additional length of suspension chain to increase the maximum hanging height
- Direct-to-ceiling fixing

Call us for more information on modifications.

## Packaging Information:

The approximate box weights and dimensions are outlined below:

Number of Boxes	Dimensions (mm)	Weight (Kg)
Rectangular Chain Chandelier		
1	1100 x 340 x 160	22.0
Rectangular Crystal Chandelier		
2	1100 x 340 x 160	9.0
	440 x 440 x 330	13.0

## Assembly:

Crystal chandeliers will arrive with the crystal packaged separately in strands (this is common practice and is done to prevent damage to the crystal in transit). All you need to do to assemble your light is to hook each strand onto the frame with the hooks provided.

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance but we give you some information on that too.

## Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

WEEE Registration Number: WEE/BU3809XD

Tigermoth Lighting is a Lighting Industry Association Quality Assured Company.
