General:

All of our lamp holders are standard large Edison Screw (E26).

Made to USA standards and designed to operate at 120V / 60Hz.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Please note, light sources are not supplied with UL Listed orders.

Assembly:

We recommend that you use a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

Modifications available:

- Client's own silk shades
- Custom silk shades - any colour from Pongees 745 Indian Douppion or 431D Crepe Satin range

Call us for more information on modifications.

Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

Tigermoth Lighting is a Lighting Industry Association Quality Assured Company.

A range of Tigermoth Lighting products are UL approved under the UL General Coverage Scheme.
