General:

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

The Aureol table lamp is provided with Elephant Grey flex finish.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

We recommend using only candle or golf ball style light sources in this light. We can supply suitable dimmable LED light sources.

Usage:

Our lights come with comprehensive instructions. They shouldn't need much maintenance but we give you some information on that too.

Modifications available:

- Client's own silk
- Any silk from Pongees 734 Indian Douppion or 431D Crepe Satin range

Call us for more information on modifications.

Made in England.

All our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.
