1000mm	600mm	1000mm	6	20W each	23.0Kg	70mm dia.	
Compass Chandelier with Alabaster – TL-COMPASSCHAL							
1000mm	600mm	1000mm	6	20W each	23.0Kg	70mm dia.	

## General:

Height measurements for chandeliers do not include the suspension chains. Suspension chains for chandeliers can be adjusted to the height needed upon installation.

All the lamp holders in the Compass collection are standard large Edison Screw (E27).

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Deviations e.g. AS/NZS is available on request.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Dimmable LED filament light sources are supplied included.

We recommend using only candle or golf ball style light sources in this chandelier.

## Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance but we give you some information on that too.

## Modifications available:

- Additional length of suspension chain

Call us for more information on modifications.

## Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

WEEE Registration Number: WEE/BU3809XD
