Compass Wall Light with Cut Glass – TL-UL-COMPASSWLCC						
4"	13"	6 ¾"	1	20W each	7lb	
Compass Wall Light with Alabaster – TL-UL-COMPASSWLAL						
4"	13"	6 ¾"	1	20W each	7lb	

## General:

All the lamp holders in our Compass collection are standard large Edison Screw (E26).

Made to USA standards and designed to operate at 120V / 60Hz.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Please note, light sources are not supplied with UL Listed orders.

We recommend using only candle or golf ball style light sources in this wall light.

## Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

## Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

WEEE Registration Number: WEE/BU3809XD

Tigermoth Lighting is a Lighting Industry Association Quality Assured Company.

A range of Tigermoth Lighting products are UL approved under the UL General Coverage Scheme.

UL File No. E499008
