| 6-arm Chandelier - TLSTCH    |                         |                   |              |             |        |              |  |
| 950mm                        | 620mm                   | 1000mm            | 6            | 20W each    | 13.0Kg | 70mm dia.    |   |
| 3-arm Chandelier - TL-SMSTCH |                         |                   |              |             |        |              |  |
| 600mm                        | 520mm                   | 1000mm            | 3            | 20W each    | 11.0Kg | 70mm dia.    |   |

## General:

Height measurements for chandeliers do not include the suspension chains. Suspension chains for chandeliers can be adjusted to the height needed upon installation.

All of our lamp holders are standard large Edison Screw (E27).

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Deviations e.g. AS/NZS is available on request.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Dimmable LED filament light sources are supplied included.

We recommend using only candle or golf ball style light sources in this chandelier.

## Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance but we give you some information on that too.

## Modifications available:

- Additional length of suspension chain
- Reduced 520mm hanging height for 6-arm
- Client's own silk shades
- Custom silk shades - any colour from Pongees 745 Indian Douppion or 431D Crepe Satin range

Call us for more information on modifications.

## Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

WEEE Registration Number: WEE/BU3809XD
