## General:

All the lamp holders in the Alabaster collection are standard large Edison Screw (E27).

Please note that the deco detail is available as standard in antique brass finish with antique brass pendant kit. The leaf detail is available as standard in bronze finish with bronze pendant kit.

No additional Tigermoth Pendant Kit Accessory is needed for the Alabaster Pendant Light.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Deviations e.g. AS/NZS is available on request.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Dimmable LED filament light sources are supplied included.

We recommend using only candle or golf ball style light sources in this chandelier.

## Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

## Modifications available:

- Additional flex suspension length

Call us for more information on modifications.

## Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.
