## General:

All the lamp holders in the UL Alabaster collection are standard Edison Screw (E26).

Please note that the deco detail is available as standard in antique brass finish with antique brass pendant kit. The leaf detail is available as standard in bronze finish with bronze pendant kit.

Made to USA standards and designed to operate at 120V / 60Hz.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Please note, light sources are not supplied with UL Listed orders.

No additional Tigermoth Pendant Kit Accessory is needed for the Alabaster Pendant Light.

## Assembly:

Supplied complete with 64" of braided flex, easily adjustable upon installation.

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

## Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

## Modifications available:

- Additional flex suspension length

Call us for more information on modifications.

## Packaging Information:

Please contact us for packaging information on smaller products as the box weights and dimensions are dependent on the quantity of lights in the order.

Tigermoth Lighting is a Lighting Industry Association Quality Assured Company.

A range of Tigermoth Lighting products are UL approved under the UL General Coverage Scheme.
