## General:

All the lamp holders in our Aureol collection are standard large Edison Screw (E27).

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Deviations e.g. AS/NZS is available on request.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

## Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance but we give you some information on that too.

## Modifications available:

- Client's own silk
- Any silk from Pongees 734 Indian Douppion or 431D Crepe Satin range

Call us for more information on modifications.

## Made in England.

All our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.
