General:

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

The table lamp finishes are provided with the corresponding flex colours –
Gold – Cream flex
Bronze - Elephant Grey flex

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

We recommend using only candle or golf ball style light sources in this light. We can supply suitable dimmable LED light sources.

Modifications available:

COM – Client's own material for Compass Table Lamp Shade

MODPLUG – Modified plug type depending on location

Call us for more information on modifications.
