600mm	3000mm	12	20W each	25.0Kg	600mm dia.	

General:

All the lamp holders in the Alabaster collection are standard large Edison Screw (E27).

The 7 and 12 light configurations have been pre-programmed to set lengths with additional suspension available.

Please note that the deco detail is available as standard in antique brass finish with antique brass pendant kit. The leaf detail is available as standard in bronze finish with bronze pendant kit.

No additional Tigermoth Pendant Kit Accessory is needed for the Alabaster Cluster.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Deviations e.g. AS/NZS is available on request.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

We recommend using only candle or golf ball style light sources in this chandelier.

Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

Modifications available:

- Additional flex suspension length up to 5m maximum total height

Call us for more information on modifications.

Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

WEEE Registration Number: WEE/BU3809XD
