General:

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

We recommend using only candle or golf ball style light sources in this light. We can supply suitable dimmable LED light sources.

Packaging Information:

Please contact us for more information on the packaging dimensions.

Modifications available:

EXTRASUSCHAIN - Extra suspension chain length charged per m to increase the hanging height

COM - Client's own material for Stem shades

Call us for more information on modifications.

Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance but we give you some information on that too.

Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.
