Large Dapple Ceiling Light - TL-LDAP							
750mm	560mm	500mm	3	20W each	7 Kg	80mm dia.	

## General:

All of our lamp holders are standard large Edison Screw (E27).

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Deviations e.g. AS/NZS is available on request.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Please note that the antique brass finish may develop a slight patina over time due to the natural properties of the material.

We recommend using only frosted candle or golf ball style light sources in this chandelier.

## Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance but we give you some information on that too.

## Modifications available:

- Custom length of suspension rod
- Client's own silk shades
- Custom silk shades - any colour from Pongees 745 Indian Douppion or 431D Crepe Satin range

Call us for more information on modifications.

## Made in England.

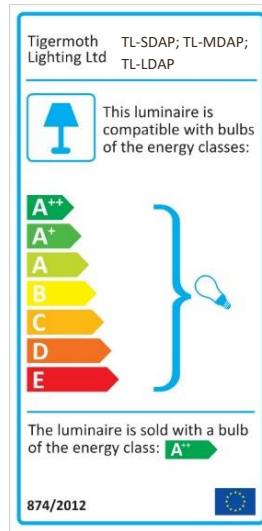

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

WEEE Registration Number: WEE/BU3809XD
