General:

Silk shades are available in twenty four standard colours, and three textures:

- Silk Satin: Steel, Silver, Graphite, Oyster
- Silk doupion: White, Ivory, Black, Birch, Orchid, Ink, Fossil, Celery
- Silk-Linen: Ivory, Buff, Mink, Mustard, Dove Grey, Chocolate, Coffee, Dusk, Terracotta, Delphinium, Nettle, Forest

We recommend using our silk sample swatch to select your preferred colour.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Please note that silk shades can deteriorate over time in a bathroom environment. Replacements can be purchased from us if needed.

Lab certified to IP44 for use in bathrooms. Please check with your electrical contractor prior to ordering.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

Supplied with high quality G9 light sources included.

Packaging Information:

Please contact us for packaging information on smaller products as the box weights and dimensions are dependent on the quantity of lights in the order.

Modifications available:

COM - Client's own material for Stem shades

Call us for more information on modifications.

Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.
