General:

The Alabaster Cluster chandeliers have been pre-programmed to set lengths with additional suspension available. The lengths are adjustable on-site during installation.

Please note that the Deco detail is available as standard in Antique Brass finish. The Leaf detail is available as standard in Bronze finish.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

We recommend using only candle or golf ball style light sources in this light. We can supply suitable dimmable LED light sources.

Modifications available:

- Additional flex suspension length up to 5m maximum total height

Call us for more information on modifications.
