160mm	2350mm Provided with 2m flex	400mm	Adjustable on site	1 - E27	40W	2.5Kg	100mm dia. x 25mm depth	 350mm

General:

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

We recommend using only candle or golf ball style light sources in this light. We can supply suitable dimmable LED light sources.

Modifications available:

- Certified IP44 version available (see next page).

Packaging Information:

Please contact us for packaging information on smaller products as the box weights and dimensions are dependent on the quantity of lights in the order.

Assembly:

Crystal Pendant Lights will arrive with the crystal packaged separately in strands (this is common practice and is done to prevent damage to the crystal in transit). All you need to do to assemble your light is to hook each strand onto the frame with the hooks provided.

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

IP44 PENDANT LIGHT WITH CRYSTAL OR CHAIN

Model Number - IP44PENDANTKIT + PMINI / PMAXI

Diameter	Hanging Height	Height Adjustability	Lamp Holders	Max Wattage	Weight	Ceiling Rose	Height excluding Suspension
Mini Pendant Light - TL-PMINI + IP44PENDANTKIT							
160mm	1220mm Provided with 1m drop rod	Order to required hanging height	1 - G9	5W	1.5Kg	100mm dia. x 25mm depth	 220mm
Maxi Pendant Light - TL-PMAXI + IP44PENDANTKIT							
160mm	1350mm Provided with 1m drop rod	Order to required hanging height	1 - G9	5W	2.5Kg	100mm dia. x 25mm depth	 350mm

Differences from standard pendants:

All lamp holders in IP44 pendants are G9.

IP44 pendant kits are provided with drop rods in the same metalwork finish as the pendant kit. The standard drop rod length is 1m with additional lengths charged per m.

We cannot advise on what IP rating you require for your bathroom lighting; please check with your electrical contractor prior to ordering.

Made in England.
