General:

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to UL standards using UL recognised components and designed to operate at 120V / 60Hz.

All of our lamp holders are standard large Edison Screw (E26). Please note, light sources are not supplied.

Modifications available:

EXTRASUSCHAIN - Extra suspension chain length charged per m to increase the hanging height

COM - Client's own material for Stem shades

Call us for more information on modifications.

Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance but we give you some information on that too.

Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

Tigermoth Lighting is a Lighting Industry Association Quality Assured Company.
