General:

Please note that the Deco detail is shown here in the Antique Brass finish – it is also available in Bronze at no price difference. The Leaf detail is shown here in the Bronze finish – it is also available in Antique Brass at no price difference.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

We recommend using only candle or golf ball style light sources in this light. We can supply suitable dimmable LED light sources.

Modifications available:

EXTRAFLEX – Extra flex length charged per m to increase the hanging height

BESPFLEX – Bespoke flex length

IP20DROPROD – IP20 rated pendant with 1m length drop rod instead of fabric flex.

BESPROD – Bespoke suspension rod length to order to required hanging height

EXTRAROD - Extra suspension rod length, charged per m, to increase the hanging height

Certified IP44 rated version available – see IP44 Alabaster Pendant for details

Call us for more information on modifications.

Packaging Information:

Please contact us for packaging information on smaller products as the box weights and dimensions are dependent on the quantity of lights in the order.

Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

WEEE Registration Number: WEE/BU3809XD

Tigermoth Lighting is a Lighting Industry Association Quality Assured Company.
