3 ¾"	78 ¾"	24 ¾"	Adjustable on site	1 - E26	20W each	8lb	4 ¾" dia. x 1" depth	

General:

Please note that the Deco detail is available in Antique Brass finish. The Leaf detail is available in Bronze finish.

All the lamp holders in the Alabaster collection are standard large Edison Screw (E26).

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to UL standards using UL recognised components and designed to operate at 120V / 60HZ.

We recommend using only candle or golf ball style light sources in this chandelier. Please note, light sources are not supplied.

Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

WEEE Registration Number: WEE/BU3809XD
