General:

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

We recommend using only candle or golf ball style light sources in this light. We can supply suitable dimmable LED light sources.

Modifications available:

- Additional length of suspension chain to increase the maximum hanging height
- Reduced 580mm hanging height for 6-arm
- Reduced 700mm hanging height for 9-arm
- Client's own silk shades
- Custom silk shades - any colour from Pongees 745 Indian Douppion or 431D Crepe Satin range

Call us for more information on modifications.

Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

WEEE Registration Number: WEE/BU3809XD
