NOTES

This price list comes into effect on Monday 30 September 2024. Our next price update is anticipated to be March 2025.
Prices are in GBP and exclude VAT and delivery. Contact us for international pricing.
Our standard Specifier Price offers a 30% discount from the RRP. This price is only available to trade account holders.
Orders over £10,000 net value are eligible for a 35% trade discount. Orders over £20,000 net value are eligible for a 40% trade discount. Contact us for a quotation.
For more detailed information on our products and the modifications available, call us or download the product information sheet from our website.
Our complimentary next-day individual sampling service is exclusive to trade account holders - visit tigermothlightingnextday.com, enter code TMFREESAMPLES at checkout
The cost of our Sample Boxes is also redeemable against future orders - contact us for more information.
We will only accept trade orders for non stock items via Purchase Order referencing the product codes listed on this price list / our product information sheets.
Lead times indicated are a guide only - call us if you need faster delivery, we can often help with this.
In-house delivery by the Tiger moth team is available in the South East, costing from £130. Outside this area special delivery can be arranged by courier. Contact us for more.
Approximate delivery costs are shown as a guide, for combined orders they will differ.
Selected pieces are in stock and available for next day despatch - visit tigermothlightingnextday.com, enter code TMTRADE30 at checkout to apply your trade discount.
We specialise in creating custom decorative lighting – contact us for more. All custom projects are subject to a minimum net order value of £7,500.
We offer modifications to certain lights with no minimum order value. Prices and product codes for all modifications are noted here.
Orders with modifications will take longer than orders for pieces from our standard collection. Please take this into account when ordering.
Made in England to UK / EU standards. Our IP44 Lighting is Laboratory-certified for use in bathrooms.
Please refer to our terms and conditions at <https://www.tigermothlighting.com/faqs/terms-conditions> prior to placing your order.
