General:

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to UL standards using UL recognised components and designed to operate at 120V / 60Hz.

We recommend using either candle or golf ball style light sources in this light. The lamp holders in the Pedicel wall light are standard Edison Screw (E26). Please note, light sources are not supplied.

Packaging Information:

Please contact us for packaging information on smaller products as the box weights and dimensions are dependent on the quantity of lights in the order.

Modifications available:

COM – Client's own material for Shades

Call us for more information on modifications.

Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.
