TIGERMOTH
LIGHTING LTD

General:

Silk shades are available in twenty four standard colours, and three textures:

- Silk Satin: Steel, Silver, Graphite, Oyster
- Silk douppion: White, Ivory, Black, Birch, Orchid, Ink, Fossil, Celery
- Silk-Linen: Ivory, Buff, Mink, Mustard, Dove Grey, Chocolate, Coffee, Dusk, Terracotta, Delphinium, Nettle, Forest

We recommend using our silk sample swatch to select your preferred colour.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Differences e.g. AS/NZS is available on request.

We recommend using only candle or golf ball style light sources in this light. We can supply suitable dimmable LED light sources.

Packaging Information:

Please contact us for packaging information on smaller products as the box weights and dimensions are dependent on the quantity of lights in the order.

Modifications available:

EXTRAFLEX – Extra flex length charged per m to increase the hanging height

BESPFLEX – Bespoke flex length

EXTRAROD - Extra suspension rod length, charged per m, to increase the hanging height

COM – Client's own material

Certified IP44 rated version available for some models – see IP44 Alabaster Pendant for details

Call us for more information on modifications.

Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

WEEE Registration Number: WEE/BU3809XD
